Keeping Foresthill Safe

With any storm brings the clean up. Before starting storm damage cleanup that involves digging or ground disturbance, it is critical and often legally required to call 8-11. 8-11 is for professional excavators, homeowners, DIYers, or anyone who needs to perform any digging activities. It is designed to prevent damage to underground utilities by ensuring these utilities are marked before excavation begins, enhancing safety and compliance with legal requirements. You need to call 8-11 for any size digging project including planting a tree, removing a stump, replacing a fence or irrigation work.

Less Clutter More Clarity

Hello Spring, go green and help the environment by choosing to receive your monthly water bill via e-mail. Not only will you receive your bill quicker, there will no longer be a threat of your bill being lost or stolen. You can request to go paperless by contacting the District Office directly or you can register your account on our website and select to receive E-Bills there. With the On-Line Customer Portal Account access you can easily review your monthly bill, research your account history, and make payments using a debit/credit card or E-check. To register your account, simply go to our website www.foreshillpud.com and click the large blue Online BillPay button of the home screen. From there you click Sign In.: First-time users will need to register their account first. To register, select the button titled (New user? Sign up now). Once logged in a pop-up will generate asking for eBill Sign up. Please contact the District Office for additional information.
