## Emergency Leak Repair

On June 28th, 2024, Foresthill repaired a leak on Arrowhead Drive. The leak was fixed within 18 hours, affecting approximately 7 services with water interruptions. Foresthill made efforts to swiftly restore water, working non-stop to accomplish this. The crew didn't let the lack of sleep stop them from repairing this leak quickly and efficiently. Crew members are on call 24/7/365 for emergency repairs.

| <b>Total Current Billing Charges</b> | <b>\$157.38</b> |
| <b>TOTAL DUE BY 08/20/24</b>         | <b>\$125.70</b> |
| <b>TOTAL DUE AFTER 08/20/24</b>      | <b>\$125.70</b> |

The terms and fees listed on each invoice are broken down to help you better understand the charges. This guide highlights the commonly used terms and charges that appear on the monthly invoice.

**Meter Size:** Water meters vary in size from 5/8" up to 8".

**Consumption Charges:** The variable charges include any amount of water consumed through the meter by the ratepayer. The amount billed include costs related to water usage, purchased, pumping, and treatment. The Sugar Pine Debt, Reserve Funding, and System Repair & Replacement are included in the base rate instead of being itemized.

**Bar graph:** On the left side of each invoice a bar graph will populate to reflect on the last years worth on water consumption.

## Be ready, Be Set, & Go It's Wildfire Season

Mosquito Fire September 8, 2022

- Maintain adequate defensible space and by hardening your home by using fire resistant building materials.
  - Create a plan on how to evacuate your home if a fire should strike.
  - Be ready to evacuate by knowing when and what to do when evacuating.
